

SECTION 12 - USES NOT LISTED

Whenever there is doubt as to the classification of a use not specifically listed or mentioned in this regulation, the determination shall be made by the Planning Board. Application for such a determination shall be made in writing to the Board and such determination shall be made within 30 days following receipt of the application. The determination shall state the class or classes of districts in which such use will be added and whether it is a Permitted Use or a Conditional Use. The determination shall become effective immediately and that use, as determined by the Board, shall have the same status as other uses listed and regulated herein.
